

Dual Enrollment Steps

1

After you Receive the Welcome Webmail

Both you and your caretaker must read the Dual Enrollment agreement and accept the terms by "signing" the Google Form.

2

Apply for Admission

Complete the Application for Admission to the Dual Enrollment College. Then setup a one on one meeting with the CCR Counselor.

3

Complete One on One Meeting

Discuss course interests/selection with CCR counselor, discuss important dates, important info, and how to register for your DE course.

4

Complete Enrollment

Once accepted and info has been sent to CCR counselor, then you will receive the info to register for your DE course. Once registered that info must be sent to CCR counselor.
